Sir:

INFORMATION DISCLOSURE STATEMENT

Attached are PTO 1449 Forms listing references of record in the parent patents, which the applicants desire to be printed on the face of any patent issuing from the present application. The applicants believe the Examiner has already considered these references, which should be available to the Examiner, pursuant to MPEP § 609. Nothing further is believed to be required for consideration of the listed references and return on an initialed copy of the attached PTO 1449 Forms. The applicants note the attached PTO 1449 Forms also lists the parent patent (U.S. Patent No. 6,495,670), a copy of which is not believed to be required. Return of an initialed copy of the attached PTO 1449 Forms, pursuant to MPEP § 609, is requested. The Examiner is requested to contact the undersigned in the event anything further is required.
